PROGRAMME HIGHLIGHTS

- Live cases from Stoke on day 1
- Live cases from Asian Institute of Gastroenterology (AIG), Hyderabad and Advent Health Hospital, Florida on day 2
- Parallel nurses symposium on day 1
- Symposia, panel discussions, debates, Video cases

Dear Friends,

We would like to welcome you all to the 4th Stoke International live ERCP-EUS symposium.

The two-day event will aim to address the clinical and technical issues faced during ERCP, including the role of EUS in ERCP (ERCP/EUS interface), using a combination of interactive lecture, panel discussion and live case discussion guided by our expert local, national and International faculty.

Srisha Hebbar
Course Director

Damien Durkin
Course Director

This year, we will also focus on

- How to get it right first time (GIRFT) in ERCP, with emphasis on bile duct stone management.
- ERCP EUS training and Quality Improvement in the wake of "Shape of Training".
- Insight into the various ERCP services in the country.
- The future of ERCP, including discussion on EUS guided bilairy drainage and single use duodenoscopes.

We encourage trainees and consultants in gastroenterology, hepatobiliary surgery and GI radiology, as well as ERCP radiographers and nurses to attend and benefit from the superb educational opportunities that this symposium will provide. 12 RCP CPD points will be awarded.

We look forward to welcome you all to Stoke.

LOCAL FACULTY

Jonathan
Green

Robert
Glass

Kar
Lau

Rajkumar
Sarveson

Rakesh Sringeri
Nurse Programme
lead

Biju Thomas
Radiologist
