

SSG Associate Representative

For SSG council, there will be two Associate representatives sharing the responsibilities listed below.

Each position will be held for 2 years. We aim for the appointments to be staggered for the continuity of duties however in the event that these terms of office are not then a comprehensive handover will be completed. This can include attendance of newly elected representatives attending meetings prior to them officially starting their role.

Ideally these roles will be appointed from different areas of Scotland to ensure good geographic representation.
