“Very friendly faculty, informative talks and engaging workshops”

“It was a brilliant opportunity to gain valuable insights about the broad spectrum of subspecialities, which would appeal to anyone looking to pursue a career in gastro. “

“I was grateful that so many experienced clinicians took the time to attend and lend a hand/give an account of their career and experiences. Also thoroughly enjoyed the hands-on workshops”

“Very friendly staff. Food was amazing. Very useful event. Had a good chat with consultants/regs. Really enjoyed it!”

“Really enjoyed the day, would attend again in future”
